See below my tweet after the Council budget vote and Harold's tweet.

I have informed Harold that such comments as his on social media are unacceptable and that anything either one of us says is interpreted as the Crime Commission speaking.

For what it's worth, Harold's explanation was that this was in response to being berated by Edmund Ford at a town hall meeting in Whitehaven. But, as I noted to him, nobody would know that and, in any case, he doesn't need to be arguing with Ford via social media.

We'll see if my admonition takes!

Bill
